

A dramatic promotional image for the video game Battlefield 1. The background is a chaotic battlefield scene with intense orange and yellow flames and smoke. In the center, a Black soldier in a trench coat and combat gear points a silver handgun directly at the viewer. Below him, two other soldiers are shown in profile: one on the left, a Black soldier with a large backpack, and one on the right, a white soldier in a heavy trench coat holding a submachine gun and a rifle. The overall atmosphere is one of intense combat and historical warfare.
